Proud to be working with Vets4Pets Learning Academy

- 1 PICK A DAY**
Pick a date that your team would like your in house training.
Allow 30 minutes for your dressing review and 2 hours for your team CPD.
- 2 BOOK YOUR ANGEL**
Contact the V4P Learning Academy who will make the booking for you.
You'll then be contacted by your local Bandaging Angel who will ask you a few questions to help tailor your CPD to the needs of your practice.
- 3 SAVE THE DATE**
Your Bandaging Angel will bring everything they need to deliver your CPD. We just need a little space to present to your team.
The costs are covered by the V4P Learning Academy so there is nothing else to do but save the date!
